**Free SIEM can choose up to 3 cloud integrations: Microsoft 365, SentinelOne, Webroot, Mimecast, Duo Security, Cisco Umbrella

A user or employee is defined as a knowledge worker in your organization; the total count of employees is used to determine pricing. Pricing is contracted on an annual basis.

I don't have the staff dedicated to sit and read logs all day or with the skillset to analyze our data. **We chose Blumira for its simplicity** – I needed a solution that would simplify, consolidate and show me what I really need to see.
